Receipt No. 999
Date 14.11.24

Subject: Offer for Providing Advisory & Consulting Supports to State Governments for DPR Preparation, Monitoring & Third-Party Inspection and Impact assessment of Projects funded under various schemes of Central & State Government.

Dear Sir,

Warm Greetings;

This is in reference to the meeting held under the Chairmanship of Smt. Monalisha Das (JS), MDoNER on 25th October, 2024 for review of details of the Projects Pending at DPR stage, where, discussion was also held for those projects, for which, SEC approval was granted for more than a year back, but DPRs were not submitted by State Governments.

In this regard, I am writing to you to express our interest in offering Advisory and Consulting support to the State Government, for Detailed Project Reports (DPR) preparation, monitoring and third-party inspection of the projects being conceptualized for execution as well as the impact assessment of the projects specifically concerning the various projects under the various Schemes of both the Central and State Governments

As you may be aware that NEDFi, besides financing, also offers Advisory and Consultancy Services. Over a period of last 10 Years Advisory and Consultancy Division of NEDFi has been providing quality-consulting services in the areas of 'Strategy Consulting, Infrastructure Advisory, Monitoring & Evaluation of Infrastructure and Social Development & Livelihood Projects and Programme Management & Implementation Support to the Ministries/Departments/Agencies of Central and State Governments, Public and Private Sector Companies, Multi-Lateral Agencies, and others for various prestigious flagship projects of Govt. of India such as Jal Jeevan Mission (JJM), Pradhan Mantri Gram Sadak Yojana (PMGSY), Integrated Watershed management Programs (IWMP), Pradhan Mantri Awas Yojana (PMAY), Special Plan Assistance (SPA), Border Area Development Program (BADP), etc. NEDFi in association with RITES Ltd. has prepared **Detailed Project Reports (DPR)** for Construction of Short landing Strips in four (4) Districts of Nagaland. (NEDFi's Advisory & Consultancy Services Brochure enclosed)

In order to provide Quality Consulting Solution in Infrastructure Sector to prospective Clients in NE Region, we, apart from having our own in-house team of Engineers and Managers, have also empaneled competent individual and institutional consultants. This helps us in identifying the best resources available for the assignment and accordingly mobilizing them to meet the client's requirement.

MDoNER, in consultation with the Ministry of Finance, has designated NEDFi as **Central Nodal Agency (CNA)** for revised procedure for flow of funds under Central Sector Schemes for MDoNER. NEDFi has been also designated as **Field Level Technical Support Unit (FTSU)** for co-ordination and field level assessment of schemes, programmes and projects funded by MDoNER and NEC in northeastern states.

Recently, NEDFi has carried out the "Impact Assessment Study" of various completed projects sanctioned under Prime Minister's Development Initiative for North-East Region (**PM-DevINE**) in the state of Sikkim.

Based on our extensive experience in similar nature of work, NEDFi would like to offer Advisory and Consulting Services on a fee-for-service basis in the following key areas to the State Governments:

✓ **Preparation of Detailed Project Reports (DPR) for Projects under various schemes of Central/ State Governments:**

We would like to express our interest in getting involved in the DPR Preparation of the projects under consideration for funding under Central/State Government in the state and in this regard request you to kindly issue advisory to various Implementing Agencies of different sectors in the state to avail the Advisory & Consultancy Services of NEDFi for DPR Preparation and other Services required for the Project - such as Project Management Consultancy (PMC).

✓ **Concurrent Monitoring of Projects funded under various schemes of Central/ State Governments:**

For the projects sanctioned various schemes of Central/State Govt., the Advisory & Consultancy Services of NEDFi may be availed by your state as Third Party Monitors for concurrent Monitoring of the sanctioned projects by the ministry under these schemes.

✓ **Impact Assessment Study:**

The State Government may avail the Advisory & Consultancy services of NEDFi to study the status and impact of the various projects developed over time for assessment of the effectiveness and outcomes of the same. This may help the State Govt. to gauge the achievements of the intended objectives, loopholes, and determine the areas that require improvement.

We look forward to your valuable guidance and support in this regard. We would be glad to have a meeting with you as per your convenience to discuss the matter further.

Thanking You

Yours sincerely

(Shashank S Rai)

Asst. General Manager

NEDFi

Advisory & Consultancy Services

About NEDFi

North Eastern Development Finance Corporation Ltd (NEDFi) is a Public Financial Institution having its corporate office at Guwahati and a network of branch and representative offices spread across the eight North Eastern States of Arunachal Pradesh, Assam, Meghalaya, Manipur, Mizoram, Nagaland, Sikkim & Tripura. It has been in operation since 1995. The Board of Directors of the Corporation comprises of representatives from Shareholder Institutions, Ministry of Development of North East Region (M-DoNER) - Government of India, State Governments and Eminent Professionals having wide experience in Industry, Economics, Finance and Management.

What We Do

NEDFi provides financial assistance to micro, small, medium and large enterprises for setting up industrial, infrastructure and agri-allied projects in the 8 (eight) North Eastern states of India and also Microfinance through MFI/NGOs. Apart from extending financial assistance, NEDFi also offers advisory and consultancy services to the Ministries/Departments/Agencies of Central and State Governments, Public and Private Sector Companies, Multi-Lateral Agencies and others through its full-fledged Advisory and Consultancy Department.

Advisory & Consultancy Services

The Advisory & Consultancy Department of NEDFi has emerged as a sustainable multidisciplinary solution provider in the North-Eastern Region of India in several major areas including Monitoring & Evaluation, Government & Public Sector Advisory, Program Implementation Support, Training & Capacity Building, Engineering Services and Management Consultancy.

MONITORING & EVALUATION

Monitoring and Evaluation (M&E) Consulting segment focuses on improving the programme implementation of projects implemented by Government Ministries, Departments and Institutions both at Central and State level by offering solutions such as Concurrent Process Monitoring, Post Implementation Evaluation, Impact Assessment & Performance Audit.

PROGRAM IMPLEMENTATION SUPPORT

Program Management & Implementation Support Services specially designed for Government Ministries, Departments and Institutions both at Central and State level primarily deals with setting up of Program Management Units (PMUs) for Implementation of Projects and Schemes, providing Policy, Program and Knowledge Management Support along with support in designing and implementation of routine activities.

ENGINEERING SERVICES

Engineering Services is aimed at infrastructure requirements of multiple sectors of economy focusing on services related to Project Management Consultancy (PMC) involving Project Conceptualization, Preparation of Feasibility and Detailed Project Report, Project Planning & Scheduling, Contract Management & Supervision of Works Contract.

GOVERNMENT AND PUBLIC SECTOR ADVISORY

Government and Public Sector Advisory is aimed at delivering practical solutions to the multiple challenges faced by Governments (Central, State & Local) and Public Sector organizations focusing on areas such as Public Sector Policy, Vision Formulation, Strategic Planning, Governance Mechanism and Sustainability Strategy.

TRAINING & CAPACITY BUILDING

Training and Capacity Building focuses on capacity building and upgrading the operational capabilities of clients for implementing various projects, regular training of various departments to improve their operational capabilities, central and state government and its agencies in developing systems to create responsive institutional and administrative structures.

MANAGEMENT CONSULTANCY

Management Consultancy services focus on improving the operational performance of client's organization in business areas of Product/Service Management, Manpower Planning, Procurement, Marketing & Sales Management and Administrative functions. Clients support ranges from advisory services to hands-on implementation delivery.

Advisory & Consultancy Services of NEDFi builds upon the Corporation's unique understanding of Economic, Industrial, Infrastructure, Public Policy and Social Scenario of the North East Region of India in all its dimensions. This understanding combined with the global outlook of highly professional team, many of whom are alumni of top Management and Engineering Institutions of the country including IITs and IIMs and grass root presence in all the states of North East Region of India gives the corporation the unique competency and ability to serve our clients better by providing suitable solutions to their problems.
