Terms of Reference/Scope of Work of Network Planning Group (NPG)
for implementation of PM GatiShakti-NMP for the State of Mizoram

1. Network Planning Group (NG) will be the forum for synchronization of efforts of multiple departments in order to facilitate coordinated implementation of multi-sectoral infrastructure projects and connectivity projects and for resolution of issues if and when they arise.
2. NPG will facilitate integration of connectivity networks, identify last mile connectivity requirements and enhance optimization through modification/ expansion of connectivity network to reduce logistics costs through micro-plan detailing.
3. The members of NPG will be responsible to ensure that the data layers of the progress pertaining to the respective Department have been correctly mapped in the PM GatiShakti State Master Plan (SMP) portal through the individual applications provided by BISAG-N.
4. The members of NPG will actively upload their projects on the GatiShakti SMP Portal to identify issues flagged by the system, and bring them up in the NPG meeting for resolution if required.
5. The members of NPG will share their annual plan of action, highlighting initiatives that could involve multiple departments, to facilitate coordination among the member Departments for enabling convergences wherever possible, avoiding duplication of works and avert infructuous expenditure.
6. NPG will also examine existing projects or new proposals of infrastructure connectivity involving cost of more than Rs.10.00 crore or those that are vital or critical from multimodal connectivity point of view to be so determined by the Government.
7. NPG will prepare the State Master Plan (SMP), as and when required, for laying before the Empowered Group of Secretaries (EGoS). It will monitor all the interventions in the Master Plan and prepare periodic reports for review of EGoS on the implementation.
